Single Pull: BYO-PE-1458961

Dimensions: 14" W x 72" H x 10" D

Quick Facts:

- SOLID STEEL & ALUMINUM - A solid steel post supports commercial grade aluminum components for years of service. No rust.
- BOLD, CLEAR SIGNAGE - Screened, not labeled, for lasting durability; the sign, dispenser text and symbols encourage compliance.
- COMMERCIAL GRADE FINISH - The durable, powder-coated and UV-protected finish creates a professional image that lasts.
- ROLL BAGS REDUCE REFILL INTERVALS - With 3 dispenser openings that permit simultaneous dispensing of 600 bags, and an inner shelf that stores 2 backup rolls, refill intervals are necessary less often.
- Dispenser holds a total of 1000 BAGS! Dispenses 3 rolls and stores 2 additional rolls. More bags than any other dispenser currently available, allows for longer service intervals.
- SINGLE PULL BAGS REDUCE WASTE - Dispenser holds 600 bags that dispense one at a time.
- Each Mini Dog Waste Station includes: Mounting post, Dog Waste Station Sign, Sign Bracket, Bag Dispenser (Roll Bags), 600 Waste Bags, All hardware and complete instructions included, Lock & Key for bag Dispenser security
