

FoldaMount82 Pro Wall Mounted Goals

Foldamount 82 Pro

Approx. Shipping Weight: 515 lbs. | Backboard: 36"x60"

Quick Facts:

- When your facility requires that the basketball goals be folded against the wall to make room for volleyball or other activities, call on First Team's FoldaMount82 series.
- The unit swings left or right for storage close to the wall without tools or ladders!
- Installing the FoldaMount82 Wall Mounted Basketball Goals is simple as well.
- The FoldaMount82 is specifically designed to provide wall-to-backboard distances from 8' to 12' during installation.
- This allows the unit to be "fine-tuned" to match the court markings on the floor.
- You will avoid costly rework and field modifications commonly caused by measurement errors.

Warranty:

- Limited Lifetime Warranty
